

2 April 1947

MEMORANDUM FOR THE DEPUTY DIRECTOR:

Subject: CIG Representative for War Department Strategic Intelligence School.

1. In reference to the invitation extended to the Director of the Central Intelligence Group to nominate a representative of CIG to attend, as a student, the Strategic Intelligence School to be conducted by the Intelligence Division, WDGS between 28 April and 15 August 1947, a survey was conducted by ICAPS to obtain the nominations of Assistant Directors of the several offices within CIG.

2. The survey revealed that, though the Assistant Directors of CIG believed that it would be highly desirable to send a representative to this school, they could not, at present, nominate a qualified individual who could be released from his duties for this purpose.

3. It is the opinion of this office that CIG should definitely be represented at this school in order that a member of CIG will be thoroughly familiar with the operational procedure employed by the Intelligence Division, WDGS for the compilation of strategic intelligence.

4. In view of the fact that this office believes that it is highly desirable that CIG be represented at this school and that no nominations were received from other offices of CIG during the survey, the following representative of ICAPS is nominated as the representative for CIG:
